God's people are amazing. I am humbled & grateful for what everyone has sacrificed! But, as you can see, I continue to run short. If you know anyone who might consider supporting my work, please share this report with them.

End of Year Report, 2022

"I commend to you our sister Phoebe, a servant of the church at Cenchræe, that you may welcome her in the Lord in a way worthy of the saints, and help her in whatever she may need from you, for she has been a patron of many and of myself as well" (Romans 16:1-2)

I was recently asked if I thought this is what my kingdom work would look like. I replied with a quick, "No!" Three years ago I made the transition to serving as a non-located evangelist. It was one of the biggest steps of faith I have taken. Some of you have provided me with generous support from the beginning. Some began supported later. For various reasons, some have had to stop their support. **We love and appreciate all of you!** God has always met our needs using you! Thank you for your patronage.

I plan to keep serving in this capacity for at least two more years (through the end of 2024). During 2024 I will re-evaluate what my kingdom service should look like going forward.

1. Evangelism

Special Workshop: The Burden of Addictive Sin

Last spring a church asked for help understanding how to provide accountability and extend forgiveness in a situation where life-long addictive sin had been revealed with one of their members. I put together this weekend workshop. If you would like access to the audio recordings of this workshop, three of the four sermons were successfully recorded.

BALANCING FORGIVENESS & ACCOUNTABILITY

2022 Indiana FC Camp

The first week of June, Anna and I served at the annual Indiana FC camp. We worked in the kitchen. I also led a daily activity as well as a daily Bible class. It kicked off my busiest summer camp season to date.

2022 SALT & LIGHT Bible Camp

In June, Anna and I served at the boy's and girl's camps again. These camps are one of our annual joys. It is an honor to encourage young people through their younger years as they seek God! At SALT camp one of our young men became a disciple of Jesus. Online registration for 2023 will open soon.

2022 Indiana Bible Camp

In July I was blessed to help serve at the annual Indiana Bible Camp. I served in the kitchen and was blessed to join in some one-on-one conversations during my breaks.

Balancing the Christian Life On-Line Lectureship

At the end of July, I led an online workshop for Kenny Embry's first digital lectureship, Balancing the Christian Life. Kenny invited several speakers to led workshops on a variety of topics with a focus on practical discipleship.

2022 SOL Camp

This year I helped transport campers and served as a counselor. During the week, one of the young men I have been working with through the year gave his life to Christ! We used the local river to baptize him.

2022-2023 School Year

This school year I have been leading a weekly high school study through the book of **Romans** via Zoom. We have approximately 6+ students participate in this study.

Monthly Home Study

The monthly home study is going through **Hebrews**. This study has expanded to include teens, young adults and families! Folks come early to visit, play games, share dinner and then study for an hour.

- **Madison, IN** - Developing a Christ-Centered Home (Jan.)
- **Oak Grove, KY** - Bearing One Another's Sin (May)
- **Hammond, IN** - Developing a Christ-Centered Home (May)

2022 Single's Workshop - In October, we hosted approx. 8 people from different states for our 4th annual Singles' Workshop. The theme was, "**Streams of Grace**". Spending this weekend together is always a joy! Several stayed over the weekend and worshipped with us on Sunday morning.

Podcast Interviews: I have been able to participate in more podcasts since my last report. Here is one from the summer:

Current Consultations - God has provided opportunities to help brainstorm with Christians in other places seeking advice regarding difficult circumstances. Depending on the situation these consultations can be a single phone call, or weekly calls or texts. I am grateful for the men and women God is using to compassionately minister his word to others!

Weekly Counseling Training Class 2022-2023 School Year:

I am leading a new group of people through the foundational material on equipping saints to use God's word to counseling and edify disciples through difficult circumstances. I am hoping to start a second group in early 2023 as my schedule allows.

Bi-weekly Peacemaker Study:

This winter several individuals (mostly evangelists) from 3 different states are studying through Ken Sande's resource, "The Peacemaker", via Zoom. This resource is one of the best I have found on how to work through conflict in a Biblical way.

THANK YOU FOR YOUR SUPPORT SO I CAN CAN PROVIDE THESE STUDIES FREE OF CHARGE!

2023 WORKSHOPS:

2023 SPRING MEN'S WORKSHOP (Mar. 10th-11th). A group of local friends organizes two days of prayer and study as we seek to mature as Christian men. Topic TBD.

3. Bible Study Tools (Appian Media)

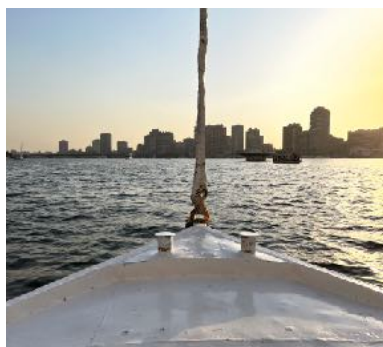

In August of 2022 Appian Media launched our largest production yet, a trip that would follow one of the proposed routes of the Exodus of the Israelites from Egypt! In October our team went to Egypt and using planes, a ferry, a train and more, we followed the path from the land of Goshen, to the top of Mt. Sinai, and finally looked into the land of Canaan from the top of Mt. Nebo. It was one of the most amazing trips our team has taken! Now we are in post-production to put it all together and provide everyone with a series of uplifting and convicting videos and study guides. You can follow our journey by going to our website, finding us on Facebook, Instagram, YouTube or by downloading our mobile app.

Support Update

As we conclude our third year here in Kentucky, **nearly all of my support for 2023 is under review. I am currently communicating with supporters to see what 2023 looks like.** If you have any questions, please do not hesitate to ask. There are a couple of people who have contacted me to let me know that due to changes in their circumstances, they are not able to continue their support into this year.

I provided a more detailed breakdown of where my support from 2022 came from, whether individual or congregational. I have tried to respect the privacy of individuals.

Typically, texting or calling my cell is the fastest way to get in touch with me. I am not at my computer as often as I have been in years past.
