*"Bear one another's burdens, and so fulfill the law of Christ." – Gal. 6:2*

Dear Friends,

We cannot thank you enough for the way each of you has supported our family through the last two years. Like everyone we know, our family has gone through tremendous changes. Your spiritual, emotional and financial support has been invaluable! It has been months since I last wrote. Please forgive me for that. Frankly, I have often been at a loss for what to say, because some of our changes have happened so quickly and often. If any of you wish to give me a call and ask for more details, please feel free. Here are the highlights, as well as a summary of the work you enabled me to do through the end of 2021. God bless you all!

- In September/October of 2021, my parents asked us if we could move to help them take care of their ministry property. At the same time, due to my mother's health, my parents and teenage brother moved into the same property with us. We have been living together for approx. 4 months. This was not a part of our plan for 2021. Everyone in the family did an amazing job being flexible and pulling some late hours to make the transition happen. Thank you for enabling us to serve the Lord in this area of the country so we could be available to honor my parents this way! It is mom's hope that as her health stabilizes they will be able to move back to their house.
- Around the same time as moving in with my parents, our family began worshipping with the Eastland congregation in Louisville, KY. We recently met with the elders and have placed membership with them.

## 1. Evangelism

### 2021 SOL Camp

My role with SOL camp last year in New York was to help transport campers and provide some technical support for instructors during the week. It was also my pleasure to assist a young man as he gave his life to Christ in baptism! He has been participating in one of my local studies in KY for months. It was an amazing week, and I would encourage any young man interested in Bible camps to learn more at [solbiblecamp.com](http://solbiblecamp.com)

### 2021 Young Men's Mini Camp

On Dec. 10th-11th, we were blessed to host Gary Fisher's annual mini-camp for young men. This year I was also blessed to lead some of the studies on a selection of the **Kings of Israel and Judah**. We examined the character traits of 6 kings and made application to the lives of disciples today. If you know anyone interested in studies like this, contact Gary Fisher.

### 2021-2022 School Year

A local homeschool co-op meets every month of the school year. This is the second year we have been blessed to provide the venue for the group at our family home. I am leading an introduction of the book of **Revelation** for both the middle-school and high school classes once a month.

**Monthly Teen Studies:** Since I last wrote, the monthly teen study is continuing through **Romans**. Prior to Christmas, a young man was baptized into Christ the day after studying Romans 10! We hope to complete the Epistle by the end of this school year.

### Gospel Meetings

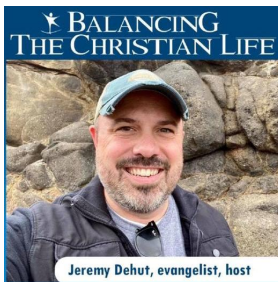

- South Salem, OR – Forerunners of Faith (Aug. '21)
- Market St, Salem, OR – Prayers of the Bible (Aug. '21)
- Selfville, AL – Developing a Christ-Centered Home (Sep. '21)
- Nicholasville, KY – Forerunners of Faith (Oct. '21)

### Weekly Prayer Group

For approx. a year, a group of local Christian men has met on Monday mornings prior to work to prayer for the families of their local church. We work our way through the directory and include any special requests as they are needed.

**2021 Single's Workshop** - Last October, Anna and I hosted approx. 15 people from 4 different states for our 3rd annual Single's Workshop. I love how much each of us gains from the time we spend together. This year, our theme was "I Am Who I Am", where we focused on the various names in the Bible used to describe God, and how better knowing God specifically benefits people in the season of singleness. We are in the planning stages for the 2022 workshop. If you would like more information about attending this year, please contact me!

**Podcast Interviews:** I have been able to participate in more podcasts since my last report. Here are the links to three:

## 2. Edification & Equipping of the Saints (Biblical Counseling)

**CURRENT  
WEEKLY  
STUDIES STATS:**

**8**  
studies in  
process

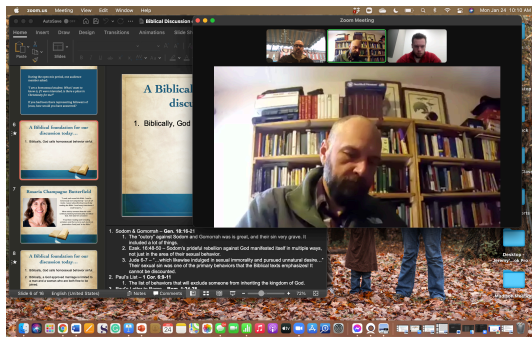

**1**  
studies on  
waiting list

**1**  
current  
consultations

**Studies in process** - The average duration for many of these studies is 8-12 weeks.

**Studies on the Waiting List** - These are people who have requested studies, and are waiting for an opening in the schedule.

**Current Consultation** - God has provided opportunities to help brainstorm with Christians in other places who are seeking advice on how to counsel. Depending on the situation these consultations can be a single phone call, or weekly calls or texts. I am grateful for the men and women God is using to compassionately minister his word to others!

**Counseling Training Class** - For nearly 5 months I have been facilitating a weekly, 1-hour class on how to use the Bible to help disciples who are struggling in their daily walk in some way. We have 5-6 people attend the class. Some of the participants live hours away, and they join us via Zoom.

**THANK YOU FOR YOUR SUPPORT SO I CAN CAN PROVIDE THESE STUDIES FREE OF CHARGE!**

### 3. Bible Study Tools (Appian Media)

In October, 2022, we released “Trial & Triumph, Revelation’s Churches” to an audience in La Grange, KY. We also held showings in Athens, AL; Dallas, TX; and Tampa, FL. This film took over two years to produce. We pray that it will be beneficial to students of the Bible around the world. You can watch it for free online by [following this link](#) . The accompanying devotional book has also been completed and is available through our app and web site.

### Support Update

Thank you to everyone, both individuals and congregations, who are supporting the work I am striving to do in the kingdom.

We are entering our third year here in Kentucky. **Nearly all of my support for 2022 is under review. I am currently communicating with supporters to see what 2022 looks like.** If you have any questions, please do not hesitate to ask. There are a couple of people who have contacted me to let me know that due to changes in their circumstances, they are not able to continue their support into this year.

I am providing a breakdown in the request snapshot on the left of where my support from 2021 came from, whether individual or congregational. I have tried to respect the privacy of individuals.

Typically, texting or calling my cell is the fastest way to get in touch with me. I am not at my computer as often as I have been in years past.

Your grateful brother in Christ,  
Jeremy Dehut
